

Modifying the Receipt Header and Trailer in ABS

Click on the Point of Sale Functions in the Menu bar, drag down to Setup Functions and Store POS Options

In the Receipt Printing area, modify the header text (top box) and the trailer text (bottom box) to reflect important information for the customer to know.
 Eg. Phone, Fax, Web site, Facebook, Hours of Operation, Dates of upcoming sales, return policy.
 Click Update to Save changes
 Exit to leave the screen.
